St. Martin's Griffin, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "[T]he latest in the Loom Knitting series is worth a close look. [M]ore than 40 patterns showcase the breadth of items you can "knit" with no needles. Stitch Breakdown boxes sprinkled throughout explain more intricate maneuvers on page with the project, so you don't have to flip to the front and consult the primer to understand what you're doing peg by peg. You'd never guess they were all created sans sticks." --- Yarn Market News "The looms would be fun to use in a group setting with others; a summer camp perhaps, or a local knitting group. Plus, the book opens up new opportunities for those who love yarn." ---Debra Meyer Scott, Shuttle Spindle DyePot.
