Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.

(Miss Vernie Schimmel)

66 DEGREES NORTH

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, 66 Degrees North, Michael Ridpath, "Iceland 1934: Two boys playing in the lava fields that surround their isolated farmsteads see something they shouldn't have. The consequences will haunt them and their families for generations. Iceland 2009: the credit crunch bites. The currency has been devalued, banks nationalized, savings annihilated, lives ruined. Grassroots revolution is in the air, as is the feeling that someone ought to pay.ought to pay the blood price. And in a country with a population of just 300,000 souls, in a country where everyone knows everybody, it isn't hard to draw up a list of exactly who is responsible. And then, one-by-one, to cross them off. Iceland 2010: As bankers and politicians start to die, at home and abroad, it is up to Magnus Jonson to unravel the web of conspirators before they strike again. But while Magnus investigates the crimes of the present, the crimes of the past are catching up with him."
