

Mobile Phone Wholesale Voice Termination Charges: Determination

By Great Britain: Competition Commission

TSO. Paperback. Book Condition: new. BRAND NEW, Mobile Phone Wholesale Voice Termination Charges: Determination, Great Britain: Competition Commission, On 27 March 2007 the Office of Communications (Ofcom) published a "Statement on Mobile Call Determination" (the MCT Statement), which set out the conclusions of its review of the market(s) for the supply of wholesale mobile voice call termination (MCT). MCT is the service necessary to connect a caller with the intended mobile recipient of a call on a different network. Ofcom concluded that charge controls should be imposed on the supply of MCT by each of the five mobile network operators (MNOs) and should apply to voice call termination whether on 2G or 3G networks. Charge controls had not previously been imposed on calls terminated on 3G networks. Both H3G and BT brought appeals against the MCT Statement to the Competition Appeal Tribunal (CAT). This report, which was submitted to the CAT, outlines the Competition Commission's (CC) report into the price control matters in the BT and H3G appeals. The report outlines the key submissions and pieces of evidence in relation to each of the points the CC considered. The report answers a number of questions determined by the Reference, such...
