Treat Me Right: Dr. Brady s Bad Actor Series Continues  
People are mesmerized with the rich and famous especially when they take a fall or two. Winona Ryder, as a case in point, stole lots of stuff, but did she receive the necessary diagnosis and treatment she needed? Dr. Brady has analyzed many celebrity theft cases and concludes that, most of these people never got the necessary help they needed, thus the bad news- they may reoffend. Often the treatment of a behavioral, addictive disorder like stealing proves ineffective. He presents the cases of six psychologically troubled theft-addicts who he personally treated using a variety of therapies. These cases are, at times, sad yet Dr. Brady skillfully blends in his unique humor to make this new and appealing contribution to the field of addiction a fulfilling read for anyone interested in addiction, why rich people steal or just wants to read about interesting criminal cases. Importantly, Dr. Brady adds to mounting evidence by criminologists that certain categories of theft can be interpreted as a behavioral addiction...
