TELL US GRANDPA

Createspace, United States, 2011. Paperback. Book Condition: New. Barbara Robinson (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Read the story of a man who teaches his grand kids the lessons of life using poetry. The book is a combination of prose, poetry and dialog and is partially illustrated. A heart-warming story of a grandfather s love for his grandchildren. The Grandfather seems mysterious, mystical and has the ability to work small miracles. He has secrets and his poems about life are simple and easy to read but each contains a lesson sometimes clearly revealed and other times requiring some deep thought. He is a widower and lives alone but he is a very special man who plays a large role in the proper raising of his grandchildren. Follow him as he leads his beloved grandchildren along the road of life.
