Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak a second language but simply didn't have the time? Look no further. In creating this time saving program, master linguist Yahir Nitzany spent nearly three years examining the 27 most common languages in the world (including 7 Arabic dialects) and distilling from them the 350 words that are most likely to be used in real conversations. The first in a series of language instructional guides, the Nitzany Method's revolutionary approach is the only one in the world that...
