Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

REFINING TECHNOLOGY AND ENGINEERING CATALYTIC REFORMING ALBUM (2006-2010)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 218 Publisher: China Petrochemical Pub. Date :2011-08-01 version 1. Zhu Huaxing Zhang Lixin editor of the catalytic reforming album (2006 ~ 2010). a collection of 2006 to 2010. Refining Technology and Engineering magazine published by the catalytic reforming aspects of the article 49. the book is divided into the review. processing technology. machinery and equipment. catalysts and additives. automatic control of five parts. summarizes the recent years the technology in the domestic application and development of situation. Catalytic reforming album (2006 ~ 2010) readership mainly petrochemical field scientific workers. the fields managers and related institutions students also help. Contents: overview of China's oil catalytic reforming unit Analysis of foreign catalytic reforming process technology progress at home and abroad catalytic reforming process technological advances processing technology reformer preprocessing technology program comparison re hydrogen gas and produce oil and then exposed process of hydrogen purity of continuous reforming catalyst regeneration process cooling technology analysis of continuous reforming unit operating conditions to optimize re-pressurized hydrogen purity to reduce the causes and countermeasures sets of catalytic reforming unit is not running properly because Pre- hydrogen response system pressure drop large Analysis and Countermeasures blending high proportion hydrogenation after coking gasoline continuous reforming unit impact Octane in ZSM-5 catalyst on aromatization law research Huanhu restructuring reduce FCC gasoline olefin content heptane in zeolite catalyst aromatization research MEK device hydrogen production in semi regeneration reforming unit started process application catalytic reforming unit operation analysis and countermeasures 0.6Mt / a continuous reforming device long cycle run analysis catalytic reforming device expansion reconstruction technical summary new put air dechlorination technology in continuous reforming unit application FCC gasoline selective hydrodesulfurization process optimization design continuous reforming unit...
