Pinterest is a completely new model not just for the users, but also for marketers. Don't let the lack of overt advertising on Pinterest fool you. Marketers who understand this new model are already building brands, communicating with affinity groups, and driving sales and traffic. They're tapping into a window of opportunity and so can you. But in order to make Pinterest work effectively, you have to know what brands and products work well on Pinterest. You need a strategic plan that's appropriate for an environment of rapid change.
