Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Not illustrated. 1920 Excerpt: .Some medical authorities hold the theory that the decline of nations is due largely to the poor state of health of a great percentage of the persons in a country. They have tried to prove that the decline of the Greek civilization could be traced to the result of malaria, which the Persians brought into the country during the Median Wars. This fever is also supposed to have been carried by the Greeks to Italy, and to have played a great part in the downfall of the Eoman empire. 132 So the experiences of the past are lessons for the future, and America, I suppose, is but struggling for her life when she tries to protect her people against the dangers of Europe or the Far East. But it all depends on the articles that fall under the prohibition laws. The suppression of wine, opium, cocaine, tobacco, may make the country healthier, but what will become of great America, if she is ever tempted to prohibit kissing? The following humorous article, published by a Seattle paper, is an indication of the present rather puritanical tendency prevailing all through the Union. REGULATING THE KISS New York is so busy with other matters that it is a marvel that its people have any time for war. At Coney Island it has been made unlawful to kiss. Four persons were arrested for this high crime last Sunday and twelve people were warned. The fellow who stands at the front...
