Brand New Book ***** Print on Demand *****.Alice Hardesty tells the story of her husband Jack's extraordinary healing from esophageal cancer in the 1980s, despite two terminal diagnoses. After conventional medicine failed to provide a cure, Jack tried every alternative and complementary treatment he could, including nutrition, acupuncture and other kinds of bodywork, vitamins and enzymes, spiritual healing, and intensive psychotherapy. Alice accompanied and supported him throughout this journey, and found that, along with the physical healing, came the healing of their marriage. This story is written with...
