Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You need a better way to organize your life. This book will show you how! In the last decade, technological revolutions have allowed us to drastically improve the speed and efficiency with which we conduct business. A major revolution has been the advent of cloud storage, which allows for storing documents, files, videos, photos, and more in the cloud. No longer do we need to keep files on computers or in filing cabinets, for now we can simply put them in these cloud storage programs with the click of a mouse. Along with any new technology, questions always arise as to which program is best, has the most functionality, and is the most secure. This book answers those questions for the top cloud storage programs available today: 1. Google Drive 2. Evernote 3. Dropbox 4. Amazon Cloud Drive In this book, you ll find detailed information on these programs as well as some insider tips on how to maximize your use of Google Drive. At the end of the reviews of the individual programs, I offer a point-by-point comparison of these cloud storage programs and my final recommendations. Cloud storage is here to stay, and its an effective way to maximize your productivity and liberate your life. Buy this book, make your decision on which cloud storage programs to use, and unlock this technology for yourself!.
