The Emergence of Total War

By Daniel E. Sutherland, Grady McWhiney

McWhiney Foundation Press. Paperback. Book Condition: new. BRAND NEW, The Emergence of Total War, Daniel E. Sutherland, Grady McWhiney, Summer 1862. The Confederacy has suffered several important defeats in the Western Theater and faces a serious threat to Richmond in the East. Federal politicians and citizenry, perplexed that fighting has continued into a second year, want an end to the war. Abraham Lincoln asks his battlefield commanders to develop a winning strategy in the East, a strategy that will not spare resources, terrain, nor the well being of private citizens--a strategy that would come to be known as "total war." The plan, implemented in 1862, proves a failure, mostly because of the man charged with carrying it out: Gen. John Pope. Pope's defeat is the story of the Second Manassas campaign. While Pope's demise gives new life to the Confederacy and emboldens Robert E. Lee to invade Maryland, Lincoln remains convinced that a strategy of total war represents the North's best chance for victory. In 1864-1865, Generals Ulysses S. Grant and William T. Sherman will prove him right. A vivid account of how Civil War campaigns foreshadowed total war.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
