

## Review in Medical Physiology: For Undergraduate Students With Questions and Answers (Third Edition)

---

By Mohini Khullar, Shilpa Khullar

CBS Publishers & Distributors Pvt. Ltd., 2013. Softcover. Book Condition: New. 3rd edition. This edition of the book features extensive revision and modification made in view of the changing trends in the examination pattern in recent years. The primary aim of the book yet remains to help students of MBBS, BDS and allied health sciences courses in completing a quick revision before the final examinations. It will help them get trained in writing answers in the examination, which in itself is an art. Salient features of the book This edition is produced in full colour to render vividness to graphics and improve readability. All the graphics are redrawn in colour rendered in great detail. The text material has been edited, modified and updated to suite the current requirements of the students. The text has been covered in 11 chapters; each chapter is divided into sub- sections for the convenience of the reader. Questions on `Blood` and `General Physiology` have been divided into two separate sections to make reading easier. Question papers (primarily of Delhi University) from the year 2000 onwards have been included in this edition. Flowcharts, tables and diagrams have been modified, and new ones have been added, to...
