Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.READER DISCRETION IS STRONGLY ADVISED because this book includes descriptions and illustrations of the terrible cruelty inflicted on men, women and children by the Nazi s. The book is in two parts and is a factual account of genocide, committed by German Nazi s. It happened at a Polish village called Brzezinka which means Birch Tree Meadow, and was situated some two miles from the town of Oswiecim in south-west Poland. The official number of innocent men, women and children killed at Auschwitz is put at 1,200,000. However, in his evidence given at the Nuremburg Trials the main commandant of Auschwitz-II-Birkenau, Rudolf Hoss, put the figure at 2,500,000. The Nazi methods of barbaric killing varied. Victims were either gassed, shot, hanged, beaten, neglected, worked-to-death, asphyxiated, starved or died through medical experiments. Most of them were exterminated in special gassing chambers which were planned and constructed to kill people on an industrial scale. They were killed, not in the heat of battle, not by military siege, aerial bombardment or the harsh conditions of modern war, but by deliberate, planned murder. Part I of the book has been compiled from published historical records and survivors accounts. It is presented in chronological order and serves to provide the reader with an overall understanding of the establishment and expansion of Auschwitz. The prisoners in these camps were forced to work as slave-labourers, and when the war started they were pressed into slave labour directly for the Nazi war effort. They received no pay, a food ration at starvation level and no medical necessities to survive. Gradually over three years, the Nazi s constructed extermination centres for the sole design and purpose to...
