But if you do not know that the compass has been broken. you will find that the ship hit the reef. or else the sea rafting. If you are still stubborn. convinced that the marketing myth that your marketing plan will fall into the situation of every seven minutes. killed a marketing case. But. what is the marketing myth? We was afraid you would never ask! Medical profession and marketing sector. there is a great difference between: young doctor in the medical profession. time and time again references the knowledge they have learned in the classroom. first served as interns. then residency until the medicine is getting more sophisticated. Only when the young doctors have the ability to diagnose the illness and the correct prescription. they can qualify for this industry. And they must pass a comprehensive and rigorous licensure examination to the industry accepted. Unfortunately. the marketing industry is not the case. Marketers lack of good training. it is no wonder that their patients - often mortality. The high mortality of marketing...
