Not illustrated. 1764 Excerpt: . . . Remark. We read a similar case in the Phil. Transf Abrid. Vol. W. pt. i. p. 80. A gentleman that came to town in good health, meeting with some friends, drank a great deal of new bottled oat-ale after feme pints of wine. These liquors fermented so violently in his stomach and intestines that he was taken, with a violent Colic the fame night. . In the morning; aji apothecary was sent for, who administered a, clyster, and took some ounces of blood; to relieve a great pain in. his left side. The patient growing worse, the Apothecary without order of any Physician gave him a violent vo mit, which operated eight or nine times. The patient died in a violent convulsion. Upon opening his body the abdominal muscles were found so contracted that it was almost impossible to penetrate them with a sharp...
