Implementation Patterns

By Kent Beck

Pearson Education (US), United States, 2007. Paperback. Book Condition: New. 230 x 176 mm. Language: English . Brand New Book. Kent is a master at creating code that communicates well, is easy to understand, and is a pleasure to read. Every chapter of this book contains excellent explanations and insights into the smaller but important decisions we continuously have to make when creating quality code and classes. -Erich Gamma, IBM Distinguished Engineer Many teams have a master developer who makes a rapid stream of good decisions all day long. Their code is easy to understand, quick to modify, and feels safe and comfortable to work with. If you ask how they thought to write something the way they did, they always have a good reason. This book will help you become the master developer on your team. The breadth and depth of topics will engage veteran programmers, who will pick up new tricks and improve on old habits, while the clarity makes it accessible to even novice developers. -Russ Rufer, Silicon Valley Patterns Group Many people don't realize how readable code can be and how valuable that readability is. Kent has taught me so much, I'm glad this...
